

## M26EGLD(LC)

### 3D 扫描投影光机

### Projector engine for 3D Scanning

|                                            |                          |
|--------------------------------------------|--------------------------|
| 显示芯片:<br><b>Panel:</b>                     | DLP4710LC 0.47 1080p DMD |
| 分辨率:<br><b>Resolution:</b>                 | 1920×1080                |
| 光源:<br><b>Light source:</b>                | LED                      |
| 投影光通量:<br><b>ANSI Lumens:</b>              | 1070lm                   |
| 尺寸(mm):<br><b>Dimension(mm):</b>           | 151×71.6×92              |
| 对比度(FOFO):<br><b>Contrast ratio(FOFO):</b> | 450:1                    |
| 均匀性(JBMA):<br><b>Uniformity(JBMA):</b>     | 90%                      |
| 偏轴:<br><b>Offset:</b>                      | 0%                       |
| 画幅尺寸:<br><b>Image size:</b>                | 56.5" @1m                |
| 投射比:<br><b>Throw ratio:</b>                | 0.8                      |
| 工作距离:<br><b>Working distance:</b>          | 0.5m~3m                  |
| TV 畸变:<br><b>TV distortion:</b>            | 1%                       |
